

ABOUT ME

Hilde Anne Nicole Mulder

Fierce - Feminine - Trustworthy - Sensitive - Playfull - Heart driven

Hi, my name is Hilde, owner and founder of The Feminine Temple. I am an author, artist, and self-publisher of the Rising Feminine Oracle Deck. With over 10 years of experience in Adobe Illustrator, graphic design, logo creation, and layout design, I believe it's time to offer my services as a freelance graphic designer.

With my Dutch roots, I know how to thrive and go all in. My passion is to empower women and guide them into their grand rising, while remaining rooted in the values they stand for. How do you bring your heartfelt message out into the world? What values, shapes, colors, and visuals embody your business? Or, do you feel like you've got it all, but it's time for a new outfit? Does your old identity no longer suit the woman you have become?

I am here to hold space for you. Let's dive into the depths of your true essence. Let's pull some cards, engage in meaningful conversation, and reveal your authentic self to the wide, wild world.

Over the last 10 years, I have created an abundance of content for corporate businesses, small startups, teenagers with dreams, store owners, and holistic coaches. I have managed my own healing space in Australia, painted, designed, written, and self-published my own 44-card oracle deck in Thailand. Now, I am here, ready to share my gifts with women from around the world.

Are you ready to collaborate?

Take a look at my branding packages, or feel free to reach out to me to customize one!
